### RESOLUTIONS

The following resolutions were offered and placed in the Committee on Rules.

#### HOUSE RESOLUTION 1134

Offered by Representative Osterman:

WHEREAS, Mercury is a persistent and toxic pollutant that bioaccumulates in the environment; and

WHEREAS, The Food and Drug Administration (FDA) and the United States Environmental Protection Agency (EPA) have found that mercury is a naturally occurring element in the environment and is also released into the air through industrial pollution; mercury that falls from the air can accumulate in streams and oceans; bacteria in the water causes chemical changes that transform mercury into methylmercury; fish absorb the methylmercury as they feed in these waters; methylmercury builds up more in some fish than in others depending on what they eat, how long they live, and how high up the food chain they are; and

WHEREAS, The Illinois Department of Public Health recognizes that the developing nervous systems of fetuses and children could be damaged if exposed to even small amounts of methylmercury; at high doses, methylmercury can affect the central nervous system, causing such health problems as memory loss and slurred speech, and can cause kidney damage and failure and gastrointestinal damage; the possible health effects depend on how much methylmercury is stored in the fish and how much fish is eaten over a period of time; based on the amounts of methylmercury detected in predator sport fish in Illinois, it is unlikely that people would experience adverse health effects associated with exposure to high doses; and

WHEREAS, Forty-one states, including Illinois, have issued fish advisories that warn certain individuals to restrict or avoid consuming fish from bodies of water contaminated with methylmercury; and

WHEREAS, The FDA and EPA recommend that if you are pregnant, planning to be pregnant, or a young child, you should not eat shark, swordfish, king mackerel, or tilefish because they contain high levels of methylmercury; and

WHEREAS, The FDA and EPA recommend that if you are pregnant, planning to be pregnant, or a young child, you should eat up to 12 ounces (2 average meals) a week of a variety of fish and shellfish that are lower in methylmercury; and

WHEREAS, The FDA and EPA recognize that 5 commonly eaten fish that are low in methylmercury are shrimp, canned light tuna, salmon, pollock, and catfish and that another commonly eaten fish, albacore ("white") tuna, has more methylmercury than canned light tuna and should only be eaten in amounts of 6 ounces (one average meal) per week; therefore, be it

RESOLVED, BY THE HOUSE OF REPRESENTATIVES OF THE NINETY-FOURTH GENERAL ASSEMBLY OF THE STATE OF ILLINOIS, that we urge commercial food markets that sell fish or shellfish to post a notice warning of methylmercury in fish and shellfish; and be it further

RESOLVED, That the we urge the Department of Public Health to create a sample warning to be provided to commercial food markets incorporating the following points:

"Fish and shellfish are important parts of a healthy and balanced diet. They are good sources of high quality protein and other nutrients. However, depending on the amount and type of fish

you consume, it may be prudent to modify your diet if you are pregnant, planning to become pregnant, nursing, or a young child. With a few simple adjustments, you can continue to enjoy these foods in a manner that is healthy and beneficial and reduce your unborn or young child's exposure to the harmful effects of mercury at the same time.

By following these 3 recommendations for selecting and eating fish or shellfish, women and young children will receive the benefits of eating fish and shellfish and be confident that they have reduced their exposure to the harmful effects of mercury:

(1) Do not eat Shark, Swordfish, King Mackerel, or Tilefish because they contain high levels of mercury.

(2) Eat up to 12 ounces (2 average meals) a week of a variety of fish and shellfish that are lower in mercury.

Five of the most commonly eaten fish that are low in mercury are shrimp, canned light tuna, salmon, pollock, and catfish.

Another commonly eaten fish, albacore ("white") tuna, has more mercury than canned light tuna. So, when choosing your two meals of fish and shellfish, you may eat up to 6 ounces (one average meal) of albacore tuna per week.

(3) Check local advisories about the safety of fish caught by family and friends in your local lakes, rivers, and coastal areas. If no advice is available, eat up to 6 ounces (one average meal) per week of fish you catch from local waters, but don't consume any other fish during that week."

### **HOUSE BILLS ON SECOND READING**

HOUSE BILL 1732. Having been read by title a second time on April 3, 2006, and held on the order of Second Reading, the same was again taken up.

Representative Currie offered and withdrew Amendment No. 1.

Representative Currie offered the following amendment and moved its adoption.

AMENDMENT NO. 2. Amend House Bill 1732 by replacing everything after the enacting clause with the following:

"Section 5. The Property Tax Code is amended by changing Sections 15-176 and 20-5 as follows:

(35 ILCS 200/15-176)

Sec. 15-176. Alternative general homestead exemption.

(a) For the assessment years as determined under subsection (j), in any county that has elected, by an ordinance in accordance with subsection (k), to be subject to the provisions of this Section in lieu of the provisions of Section 15-175, homestead property is entitled to an annual homestead exemption equal to a reduction in the property's equalized assessed value calculated as provided in this Section.

(b) As used in this Section:

(1) "Assessor" means the supervisor of assessments or the chief county assessment officer of each county.

(2) "Adjusted homestead value" means the lesser of the following values:

(A) The property's base homestead value increased by 7% for each tax year after the base year through and including the current tax year, or, if the property is sold or ownership is otherwise transferred, the property's base homestead value increased by 7% for each tax year after the year of the sale or transfer through and including the current tax year. The increase by 7% each year is an increase by 7% over the prior year.

(B) The property's equalized assessed value for the current tax year minus (i)

\$4,500 in Cook County or \$3,500 in all other counties in tax year 2003 or (ii) \$5,000 in all counties in tax year 2004 and thereafter.

(3) "Base homestead value".

(A) Except as provided in subdivision (b)(3)(B), "base homestead value" means the equalized assessed value of the property for the base year prior to exemptions, minus (i) \$4,500 in Cook County or \$3,500 in all other counties in tax year 2003 or (ii) \$5,000 in all counties in tax year 2004 and thereafter, provided that it was assessed for that year as residential property qualified for any of the homestead exemptions under Sections 15-170 through 15-175 of this Code, then in force, and further provided that the property's assessment was not based on a reduced assessed value resulting from a temporary irregularity in the property for that year. Except as provided in subdivision (b)(3)(B), if the property did not have a residential equalized assessed value for the base year, then "base homestead value" means the base homestead value established by the assessor under subsection (c).

(B) If the property is sold or ownership is otherwise transferred, other than sales or transfers between spouses or between a parent and a child, "base homestead value" means the equalized assessed value of the property at the time of the sale or transfer prior to exemptions, minus (i) \$4,500 in Cook County or \$3,500 in all other counties in tax year 2003 or (ii) \$5,000 in all counties in tax year 2004 and thereafter, provided that it was assessed as residential property qualified for any of the homestead exemptions under Sections 15-170 through 15-175 of this Code, then in force, and further provided that the property's assessment was not based on a reduced assessed value resulting from a temporary irregularity in the property.

(3.5) "Base year" means (i) tax year 2002 in Cook County or (ii) tax year 2002 or 2003 in all other counties in accordance with the designation made by the county as provided in subsection (k).

(4) "Current tax year" means the tax year for which the exemption under this Section is being applied.

(5) "Equalized assessed value" means the property's assessed value as equalized by the Department.

(6) "Homestead" or "homestead property" means:

(A) Residential property that as of January 1 of the tax year is occupied by its owner or owners as his, her, or their principal dwelling place, or that is a leasehold interest on which a single family residence is situated, that is occupied as a residence by a person who has a legal or equitable interest therein evidenced by a written instrument, as an owner or as a lessee, and on which the person is liable for the payment of property taxes. Residential units in an apartment building owned and operated as a cooperative, or as a life care facility, which are occupied by persons who hold a legal or equitable interest in the cooperative apartment building or life care facility as owners or lessees, and who are liable by contract for the payment of property taxes, shall be included within this definition of homestead property.

(B) A homestead includes the dwelling place, appurtenant structures, and so much of the surrounding land constituting the parcel on which the dwelling place is situated as is used for residential purposes. If the assessor has established a specific legal description for a portion of property constituting the homestead, then the homestead shall be limited to the property within that description.

(7) "Life care facility" means a facility as defined in Section 2 of the Life Care Facilities Act.

(c) If the property did not have a residential equalized assessed value for the base year as provided in subdivision (b)(3)(A) of this Section, then the assessor shall first determine an initial value for the property by comparison with assessed values for the base year of other properties having physical and economic characteristics similar to those of the subject property, so that the initial value is uniform in relation to assessed values of those other properties for the base year. The product of the initial value multiplied by the equalized factor for the base year for homestead properties in that county, less (i) \$4,500 in Cook County or \$3,500 in all other counties in tax year 2003 or (ii) \$5,000 in all counties in tax year 2004 and thereafter, is the base homestead value.

For any tax year for which the assessor determines or adjusts an initial value and hence a base homestead value under this subsection (c), the initial value shall be subject to review by the same procedures applicable to assessed values established under this Code for that tax year.

(d) The base homestead value shall remain constant, except that the assessor may revise it under the

following circumstances:

(1) If the equalized assessed value of a homestead property for the current tax year is less than the previous base homestead value for that property, then the current equalized assessed value (provided it is not based on a reduced assessed value resulting from a temporary irregularity in the property) shall become the base homestead value in subsequent tax years.

(2) For any year in which new buildings, structures, or other improvements are constructed on the homestead property that would increase its assessed value, the assessor shall adjust the base homestead value as provided in subsection (c) of this Section with due regard to the value added by the new improvements.

(3) If the property is sold or ownership is otherwise transferred, the base homestead value of the property shall be adjusted as provided in subdivision (b)(3)(B). This item (3) does not apply to sales or transfers between spouses or between a parent and a child.

(e) The amount of the exemption under this Section is the equalized assessed value of the homestead property for the current tax year, minus the adjusted homestead value, with the following exceptions:

(1) The exemption under this Section shall not exceed \$20,000 for any taxable year.

(2) In the case of homestead property that also qualifies for the exemption under Section 15-172, the property is entitled to the exemption under this Section, limited to the amount of (i) \$4,500 in Cook County or \$3,500 in all other counties in tax year 2003 or (ii) \$5,000 in all counties in tax year 2004 and thereafter.

(e-5) For each assessment year in which the alternative general homestead exemption under this Section applies, the assessor must calculate whether the taxes on each homestead property are more, less, or the same as a result of the application of the exemption under this Section rather than the general homestead exemption under Section 15-175. The assessor must provide the results of these calculations for each homestead property to the official in the county who is responsible for preparing and mailing the property tax bills so that the official can include on or with the bills the notifications required under subsection (b) of Section 20-5. For the purpose of this subsection, "homestead property" has the definition set forth under Section 15-175.

(f) In the case of an apartment building owned and operated as a cooperative, or as a life care facility, that contains residential units that qualify as homestead property under this Section, the maximum cumulative exemption amount attributed to the entire building or facility shall not exceed the sum of the exemptions calculated for each qualified residential unit. The cooperative association, management firm, or other person or entity that manages or controls the cooperative apartment building or life care facility shall credit the exemption attributable to each residential unit only to the apportioned tax liability of the owner or other person responsible for payment of taxes as to that unit. Any person who willfully refuses to so credit the exemption is guilty of a Class B misdemeanor.

(g) When married persons maintain separate residences, the exemption provided under this Section shall be claimed by only one such person and for only one residence.

(h) In the event of a sale or other transfer in ownership of the homestead property, the exemption under this Section shall remain in effect for the remainder of the tax year in which the sale or transfer occurs, but (other than for sales or transfers between spouses or between a parent and a child) shall be calculated using the new base homestead value as provided in subdivision (b)(3)(B). The assessor may require the new owner of the property to apply for the exemption in the following year.

(i) The assessor may determine whether property qualifies as a homestead under this Section by application, visual inspection, questionnaire, or other reasonable methods. Each year, at the time the assessment books are certified to the county clerk by the board of review, the assessor shall furnish to the county clerk a list of the properties qualified for the homestead exemption under this Section. The list shall note the base homestead value of each property to be used in the calculation of the exemption for the current tax year.

(j) In counties with 3,000,000 or more inhabitants, the provisions of this Section apply as follows:

(1) If the general assessment year for the property is 2003, this Section applies for assessment years 2003, 2004, and 2005. Thereafter, the provisions of Section 15-175 apply.

(2) If the general assessment year for the property is 2004, this Section applies for assessment years 2004, 2005, and 2006. Thereafter, the provisions of Section 15-175 apply.

(3) If the general assessment year for the property is 2005, this Section applies for assessment years 2005, 2006, and 2007. Thereafter, the provisions of Section 15-175 apply.

In counties with less than 3,000,000 inhabitants, this Section applies for assessment years

(i) 2003, 2004, and 2005 if 2002 is the designated base year or (ii) 2004, 2005, and 2006 if 2003 is the

designated base year. Thereafter, the provisions of Section 15-175 apply.

(k) To be subject to the provisions of this Section in lieu of Section 15-175, a county must adopt an ordinance to subject itself to the provisions of this Section within 6 months after the effective date of this amendatory Act of the 93rd General Assembly. In a county other than Cook County, the ordinance must designate either tax year 2002 or tax year 2003 as the base year.

(l) Notwithstanding Sections 6 and 8 of the State Mandates Act, no reimbursement by the State is required for the implementation of any mandate created by this Section.

(5) acquire any interest, directly or indirectly, or by means of a subsidiary or affiliate in a distressed property from an owner with whom the distressed property consultant has contracted;

(b) A distressed property purchaser, in the course of a distressed property conveyance, shall not:

(1) enter into, or attempt to enter into, a distressed property conveyance unless the distressed property purchaser verifies and can demonstrate that the owner of the distressed property has a reasonable ability to pay for the subsequent conveyance of an interest back to the owner of the distressed property and to make monthly or any other required payments due prior to that time;

(2) fail to make a payment to the owner of the distressed property at the time the title is conveyed so that the owner of the distressed property has received consideration in an amount of at least 82% of the fair market value of the property;

(3) enter into repurchase or lease terms as part of the subsequent conveyance that are unfair or commercially unreasonable, or engage in any other unfair conduct;

(4) represent, directly or indirectly, that the distressed property purchaser is acting as an advisor or a consultant, or in any other manner represent that the distressed property purchaser is acting on behalf of the homeowner, or the distressed property purchaser is assisting the owner of the distressed property to "save the house", "buy time", or do anything couched in substantially similar language;

(5) misrepresent the distressed property purchaser's status as to licensure or certification;

- (10) fail to extinguish all liens encumbering the distressed property, immediately following the conveyance of the distressed property, or fail to assume all liability with respect to the lien in foreclosure and prior liens that will not be extinguished by such foreclosure, which assumption shall be accomplished without violations of the terms and conditions of the lien being assumed. Nothing herein shall preclude a lender from enforcing any provision in a contract that is not otherwise prohibited by law;
- (11) fail to complete a distressed property conveyance before a notary in the offices of a title company licensed by the Department of Financial and Professional Regulation, before an agent of such a title company, a notary in the office of a bank, or a licensed attorney where the notary is employed; or
- (12) cause the property to be conveyed or encumbered without the knowledge or permission of the distressed property owner, or in any way frustrate the ability of the distressed property owner to complete the conveyance back to the distressed property owner.
- (c) There is a rebuttable presumption that an appraisal by a person licensed or certified by an agency of this State or the federal government is an accurate determination of the fair market value of the property.
- (d) "Consideration" in item (2) of subsection (b) means any payment or thing of value provided to the owner of the distressed property, including reasonable costs paid to independent third parties necessary to complete the distressed property conveyance or payment of money to satisfy a debt or legal obligation of the owner of the distressed property.
- "Consideration" shall not include amounts imputed as a downpayment or fee to the distressed property purchaser, or a person acting in participation with the distressed property purchaser.
- (e) An evaluation of "reasonable ability to pay" under subsection (b)(1) of this Section 50 shall include debt to income ratio, fair market value of the distressed property, and the distressed property owner's payment history. There is a rebuttable presumption that the distressed property purchaser has not verified reasonable payment ability if the distressed property purchaser has not obtained documents of assets, liabilities, and income, other than a statement by the owner of the distressed property.
